Dear Mr. Jinesh Mehta,

Thank you for the donation of 8 multipara monitors to PICU in August 2016.

All the multiparamonitors are working well and till now more than 700 pediatric patients indoor and emergency (indoor 600, emergency 150) have availed the facility. These multiparamonitors are 24 hours a day in the service of critically ill patients.

We look forward for your continuous support and request for 4 more multipara monitors and ECG machine for PICU.

Thanking you,

Yours truly,

Masavkar
